VOLUNTARY
ACTION
DONCASTER

Strategic Plan 2020 - 2023

Resilience Recovery Renewal

Our Mission

Strengthening our local voluntary, community and faith sector
to enrich individuals, organisations and communities in Doncaster

Our Vision

To create a vibrant, powerful and sustainable voluntary, community and faith sector
working together to enrich the lives of everyone who lives or works in Doncaster.

Our Values

Proactive
Inclusive
Collaborative
Lived Experience
Local
Supportive

Our Principles

1. We are **passionate** about helping the people of Doncaster
2. We build and maintain genuine and **trusting** relationships
3. We put the **people** of Doncaster at the centre
4. We work with people's **strengths** and build on these
5. We collaborate and **co-produce** wherever possible
6. We **work together** to support each other
7. We recognise and **respect** the contribution of everyone
8. We all share a **common vision**
9. We create smooth **joined up services** for those around us
10. We **learn**, develop and evaluate practice

Our Drivers

- Strengthening our local voluntary, community and faith sector
- Fostering local resilient communities
- Providing strategic representation and influence
- Delivering financial sustainability, reinvesting in support and growth

Our Targets

To establish Voluntary Action Doncaster with Trustees in 2020

Our Volunteers Hub to be operational from summer 2020

To reach 60% of our local voluntary, community and faith sector through our website and newsletter by 2021

To grow membership to 50% our local voluntary, community and faith sector by 2021

To build capacity and capability of our local voluntary, community and faith sector through regular events

To manage annual grant revenue of of £500k by 2023

To achieve annual income and contract revenue of £500k by 2023
