Next PLC Recruitment Information Sessions

This is an online event and will be taking place on:

4th/5th/6th May 2021 from 1pm – 2.30pm. Delegates will need to attend all 3 sessions. To book onto this session, please visit:

If you have a passion to deliver exceptional customer service? We are looking for resilient, friendly advisors to join our growing team. It's an exciting time to join Next as we are constantly expanding, both in terms of our staff and the brands we stock.

We are currently recruiting Customer Service Advisors based in our Contact Centre in Doncaster. The roles will support either our Enquiries team (who look after the fashion side), or our Home department (who take care of all the furniture). These roles both offer chances of progression in the future, and are immensely rewarding.

We need people with excellent listening skills, attention to detail and the ability to problem solve, and most importantly a passion to deliver excellent customer service. You will preferably have had customer service experience - this does not have to be in a contact centre. We have a lot of advisors who come from various backgrounds, such as retail, sales and admin, too, however you do need basic IT skills.

You must be able to commit to work 4 on 4 off shifts 1pm – 11pm or 12pm – 10pm, plus full time training for the first few weeks of your role (Mon-Fri). All successful applicants will be subject to criminal and credit checks in line with our Reference Policy. In order to apply for this position you must not have had an unsuccessful application for a similar role within the last 6 months.
