

Opportunity to make a difference in Doncaster

Could you spare up to one day each month to share your expertise and enthusiasm with a local well-established Doncaster community enterprise and help it grow?

Balby-based Flourish Enterprises CIC is searching for a new part-time, voluntary director to join our board and work with the senior leadership team to ensure our community focused services are delivered to the highest standard.

Flourish is located at one of Doncaster's hidden treasures, historic St Catherine's House and Walled Gardens, at Woodfield Park. Formed in 2014, it is proud of its close links with the Rotherham Doncaster and South Humber NHS Foundation Trust (RDaSH).

Flourish Managing Director, Laurie Smith said:

"Flourish is a Community Interest Company housed in a stunning listed building that provides a number of commercial and not-for-profit services all surrounded by lots of beautiful green spaces.

As a social enterprise we focus on providing care and support services throughout our local communities. Flourish exists to promote social mobility, wellbeing opportunities and work with our partners to deliver a sportive and lasting social impact. Amongst our range of commercial and community services, we provide work, vocational and volunteering opportunities to people with mental health needs, learning disabilities and to those who have experienced any form of set-back and who need support to get back into education or employment, or just need to find a place where they feel connected.

Now is an exciting time to be joining us as we work on a revitalised long-term strategic plan and vision for the organisation, involving some quite ambitious plans all designed to best serve the needs of residents across Doncaster. So, if you like what we do, and would love the opportunity to showcase your passion for supporting community focused programmes in Balby and Doncaster more widely, then we very much look forward to speaking with you".

The closing date for applications is **Friday 29th July 2022**.
