# Collaborations and Alliance Building

The key to change has been alliance members building relationships. This includes:

- Alliance **Hub**
- **MDTS** – case reviews and shared working around individuals
- **Shared Learning** e.g. Staff induction
- **Joint communications plans**
- **Awards** nominations – shortlisted for HSJ 2022
- **Shared working**, recognising themes, gaps, and sharing resources eg LGBT work
- **Collaborative events**
- Developing a shared **vision** and **mission statement**

# Vision

**To work together and with all agencies across Doncaster to empower people to reach mental wellness by placing their recovery at the heart of all we do.**

# Doncaster's Crisis Alternatives Alliance: One Front Door

- **One Front Door** – feedback has shown the need for a centralised approach to moving people throughout the alliance.
- **Each service has their own referral process for initial contact, you would refer to the most appropriate front door service**
  - DRASACS for survivors of sexual harm, or their family members
  - IMP;ACT within 12 months of a suicide attempt
  - Doncaster Mind Wellbeing Service for people with mental health and wellbeing needs
  - HIU for people who attend A&E more than 5 times a month – referred directly by A&E
  - Safe Space for people in crisis – referred directly by the crisis team, police or ambulance services
- **We move people between alliance service appropriate to their needs as those needs emerge**

# Doncaster's Crisis Alternatives Alliance: Next steps and future goals

- The Alliance Hub are working towards a **combined model** of governance and working, with the possibility of developing as a formal collaborative towards future funding. Further opportunities for working together and sharing resources are now at the heart of our approach.
- Building **closer relationships and raising the profile** with wider alliance partners; DBHFT, RDASH, Primary Care and Social
